Premium Synthetic Blend 5w-20 Engine Oil

Description

Pride Plus GEN 3 Premium Synthetic Blend 5W-20 Engine Oil is a fully licensed motor oil that meets or exceeds the latest manufacturer's requirements for use in passenger car, SUV and light duty truck gasoline engines, powerboats, motorcycles, and other stationary and mobile equipment. It is formulated from selected highly refined paraffinic base oils, synthetic base oils and carefully selected advanced additive technology to provide superior thermal and oxidation stability, corrosion and valve train wear protection and prevent the formation and accumulation of deposits and sludge.

Applications

Pride Plus GEN 3 Synthetic Blend 5w-20 Engine Oil benefits us with excellent fuel economy, excellent cold-cranking capabilities, and excellent anti-wear, anti-foam, bearing corrosion and anti-rust protection. When an API license is required, it meets SP, SN Plus, SN, SM, SL, SJ, SH, SG, and SF. This product also meets the ILSAC GF-6.

Typical Properties

SAE Grade	5W20
API	SP
Gravity, ASTM D4052, °API	32.7
Flash Point, ASTM D 92, °C, COC	232
Viscosity, ASTM D 445 @ 40°C	69
@ 100°C	8.2
Viscosity Index, ASTM D 2270	136
Pour Point, ASTM D 97, °C	-42
Density (lb/gal)	7.18
Color	L3.0

NOTE: The values are representative of current production and may vary within modest ranges.
